Submitted by LaRanda P In memory of Rebecca Kirkland, of Caneyville

Serves: 8

Ingredients:

1-8 oz cream cheese

1/2 C. sugar

1 tsp vanilla

1 box Dream Whip prepared according to directions

1 container cool whip (optional)

1 Can Strawberry or Cherry pie filling

1 Graham Cracker crust.

Directions:

This recipe was one I asked for on my birthday every year as a child. I am 50 now and it is still a favorite of mine. My Mom made her living as a cook and this was one of her recipes. She died on August 1st 2009. I wanted to share a very special part of her life with everyone. I hope you enjoy this recipe. Soften cream cheese to room temperature. Then add sugar and vanilla and beat till well mixed. Fold in 2 cups of prepared dream whip. Pour into crust and top with your choice of pie filling save a spoonful for top decoration. Chill till set and then top with remaining dream whip (if not enough left over then you can use cool whip) and place saved spoonful of pie filling in center to make your pie attractive, and refrigerate.
